

## CONGREGATION MAGEN AVRAHAM IS GROWING!

Magen Avraham's educational programs have introduced many families to pluralistic, egalitarian Masorti/Conservative Judaism. The number of programs and participants has increased by over 200%. We urgently need more space. We need to build the Magen Avraham Activity Center to accommodate our successful activities. Here are some of the programs now taking place:

### YOUTH PROGRAMS

After school Program (1:00pm-4:30pm, 5 days/week)  
School Holiday Program (7:30am-4:30 pm during school holidays)  
Summer Day Camp (7:30am – 4:30pm daily for 5 weeks)  
Bar/Bat Mitzvah Program  
Teen Program  
Computer Club

### ADULT EDUCATION

Talmud Study Group  
The Rabbi's Cinemateque  
Relaxation through Prayer  
Community Leadership Program  
Creative Writing Group

### COMMUNITY PROGRAMS

Celebrations of Life Cycle Events  
Community Seder  
Holiday Celebrations  
Cultural Events

Here are some additional programs that will run when we build the Activity Center:

Open Bet Midrash for retired people  
Youth Lounge Activities  
Alternate Family Activities for Shabbat and Festivals  
Arts and Crafts Activities

The building of the Activity Center will enable us to reach many more individuals and families. It will afford us the opportunity to add new programs and increase the number of community gatherings in the Congregational setting. This Center will be the vehicle to bring Jewish learning, culture and fellowship to Omer and the Negev.
